

## Monitoring Workshop

---

### **Clinical trial monitoring: towards establishing best practice?**

**10th May 2012**

**Foresight Centre, University of Liverpool**

#### 9.30 **Registration**

#### 10.00 **Welcome**

Paula Williamson

Director of North West Hub for Trials Methodology Research

Director of Clinical Trials Research Centre, University of Liverpool

#### 10.15 **Current Practice**

[Summary of UKCRC registered CTUs questionnaire](#) (Catrin Tudur Smith)

#### 10.30 **Current perspectives on monitoring in clinical trials**

[Clinical Trials Transformation Initiative update and recommendations](#) (Martin Landray)

Regulatory perspective (Andy Fisher, MHRA)

#### 11.15 **Risk assessment**

[Risk assessment at the CTRC](#) (Rachel Breen)

[MRC/DH/MHRA Risk Assessment Guidance](#) (Sarah Meredith)

Group work (ALL)

#### 12.15 **Lunch**

#### 1.00 **Central monitoring**

Methods and graphical approaches for undertaking central monitoring (Jemma Hopewell and Carol Knott)

[Nicky Gower](#) and [Amy Kirkwood](#) (UCL)

[Haleema Shakur, Phil Edwards, Lin Barnetson](#) (LSHTM)

#### 2.25 **Monitoring plans**

[Developing a monitoring plan for the SCIPI trial](#) (Carrol Gamble)

Group work (ALL)

#### 3.00 **Methodology research agenda** (all to discuss in small groups)

Aim: To stimulate development of future methodology research in this area by strengthening collaborative links and discussing relevant research questions. How might we all work together better?

#### 3.45 **Meeting close**
