

SCHOLARSHIP AND BURSARY REGULATIONS  
ACADEMIC YEAR 2012/13

**1) Scope of the Regulations**

- 1.1) These Regulations apply to students first entering undergraduate and taught master's postgraduate programmes at the University of Liverpool in academic year 2012/13, and students entering research postgraduate programmes during the period October 2012 until September 2013 inclusive. Unless otherwise stated, they will continue to apply to such students for the duration of their programme of study, subject to Section 1.3 below.
- 1.2) Scholarships and bursaries under these Regulations are not available to the following groups of students:
- a) Students who have transferred from another undergraduate programme at the University of Liverpool will be considered under the Regulations applicable in the academic year in which they started their study. The 2012/13 Regulations are therefore not applicable to such students.
  - b) 'Home' and 'EU' students who have previously achieved a qualification at an equivalent or higher level, whether in the UK or elsewhere. However, students studying on programmes which may be exempted from the government withdrawal of funding for students studying equivalent and lower level qualifications (ELQ), and where the University has chosen to apply this exemption, may be considered for scholarships and bursaries under these Regulations. Similarly, where a student is exempt from the ELQ policy as a result of holding a Disabled Student's Allowance, they may also be considered for scholarships and bursaries.
  - c) 'Home' and 'EU' students in years 1-3 of undergraduate programmes in the School of Health Sciences, where tuition fees are paid in full by the NHS.
  - d) Students in years 2-4 of graduate entry programmes in Medicine and Dental Surgery, where funding is available via the NHS Bursary Scheme.
  - e) Students in year 5 of conventional entry programmes in Medicine and Dental Surgery.
  - f) Students entering the Medicine and Surgery programme (A105) at Lancaster University, for whom a different bursary scheme is in operation.
  - g) Students on the MSc Nuclear Science and Technology programme, run under the auspices of the Nuclear Education Training Consortium.
  - h) Students in all years of the Diploma in Dental Hygiene/Therapy.
  - i) Students on University of Liverpool programmes taught at an associated college, where the tuition fee is payable directly to that college; for example years 0 and 1 taught at Wirral Metropolitan College as part of a 2+2 programme. For such students, the associated college is responsible for scholarship and bursary arrangements.
  - j) Students registered with the Liverpool School of Tropical Medicine.
  - k) Students transferring to the University of Liverpool from Xi'an Jiaotong-Liverpool University.
  - l) Students transferring to the University of Liverpool from partnership institutions where an alternative fee payment or scholarship arrangement has been made<sup>1</sup>.
  - m) 'Home' and 'EU' students for whom fees are charged under the pre-2012 and pre-2006 fee regulations.

---

<sup>1</sup> Information will be available at the point of application from the partnership institution.

n) Students in receipt of staff fee remission.

Where a student repeats a year of study with full or partial attendance so that their total period of registration is greater than the normal length of their programme, scholarships and bursaries will only be available for a maximum number of years equal to the maximum period of public funding. This is usually the normal length of the programme plus one academic year.
- 1.4) Where the scholarships and bursaries described in these Regulations are to be paid directly into the student's bank account, students will be unable to receive these scholarships and bursaries unless they hold a sterling current account with a UK clearing bank and have notified the Student Loan Company (SLC) and/or the University of the account details.
- 1.5) Where scholarships or bursaries are dependent on household income, the scholarship or bursary can only be paid where the student's Local Authority, Student Finance England (SFE), the Student Awards Agency for Scotland (SAAS), Student Finance Wales (SFW), Student Finance Northern Ireland (SFNI), or the SLC has been provided with information on household income and consent has been given for that information to be shared with the University.
