*Fees will only be amended once relevant withdrawal/suspension paperwork has been received by the department and the central Student Administration team have reviewed and amended a student's record to reflect this withdrawal/suspension. When a fee has been amended, students will receive an amended invoice confirming the full fee charged for the academic session, considering the change in registration. Any refund due following the application of this policy will be made to the person or account from which the original payment was received. Where monies are owed to the University following the application of this policy, students will be made directly liable for all outstanding debt.*
