

During the Physics-LTHE Community Meetings, attendees participate in discussions that often yield good practice or ideas that can help others.

These discussions are reported on by a volunteer chair.

To reflect their participation in discussions, attendees can choose to add their name to an attendance list during the meeting.

### **Physics – LTHE Meeting 10<sup>th</sup> September 2020 – Sharing Lab plans**

There were 46 attendees in the session and 26 in the break-out room discussions.
