Articulation Routes and Degree Titles

First year of intake at XJTLU:	2021-22
First year of articulation to UoL	2023-24

XJTLU School	XJTLU degree/award title	UoL articulation route & degree and award title for 2+2 students As VALIDATED by UoL and as it appears on the UoL CERTIFICATE	Notes
Design	BEng Architecture	BA Architecture	
	BEng Architectural Engineering	BEng Architectural Engineering	
	BEng Civil Engineering	BEng Civil Engineering	
	BA Urban Planning and Design	BA Environment and Planning	
		BA Urban Planning	
	BEng Industrial Design	BEng Industrial Design	
Business	BA Accounting	BA Accounting and Finance	
	BA Business Administration	BA Business Management	
	BSc Economics	BSc Economics	
	BSc Economics and Finance		
	BA Human Resource Management	BA Business Management	Students must take ACFI205 'Finance for Business' at UoL instead of ULMS206 'Introduction to Human Resource Management
	BA International Business with a Language	BA International Business	
	BSc Information Management and Information Systems	BSc Financial Computing	ACC107 has been set as the pre-requisite for ACFI201 to BSc IMIS students at XJTLU who do 2+2 and articulate to BSc Financial Computing
		BSc Computer Science with Software Development	
	BA Marketing	BA Marketing	
Advanced Technology	BEng Computer Science and Technology	BEng Computer Science and Electronic Engineering (Computer Science and Electronic Engineering Pathway)	
	BEng Digital Media Technology	BSc Computer Science and Electronic Engineering (Digital Media Technology Pathway)	
	BEng Electrical Engineering	BEng Electrical and Electronic Engineering (Electrical and Electronic Engineering Pathway)	
		BEng Electrical and Electronic Engineering (Electrical Engineering Pathway)	
	BEng Electronic Science and Technology	BEng Electrical and Electronic Engineering (Electronic Engineering Pathway)	
	BSc Information and Computing Science	BSc Computer Science (Artificial Intelligence pathway) or (Data Science pathway) or (Algorithms and Optimisation pathway) or no pathway title	Students can choose 3 Specialisation Pathways or no pathway. Pathways confirmed on degree award certificate
	BEng Mechatronics and Robotic Systems	BEng Mechatronics and Robotic Systems	
	BEng Telecommunications Engineering	BEng Electrical and Electronic Engineering (Electronic Engineering and Communications Pathway)	
Humanities & Social Sciences	BA Applied English	BA English	
	BA Media and Communication Studies	BA Communication Studies	
		BA Media and Culture	
		BA Screen Industries and Entertainment	
		BA Media, Data and Society	
	BA English and Communication Studies	BA English and Communication Studies
